

Executive Dashboard Wireframe & Requirements Blueprint

Scope: 8 Core Financial & Managerial Dashboards Target Platform: SAP SAC / Fiori Launchpad Status: Production Ready Architecture

1. Executive Dashboard & Executive KPIs

Executive Dashboard C-Suite Overview

- **Layout:** Top-tier KPI scorecards with Sparklines, followed by MoM financial performance trend charts.
- **Components:** Real-time Total Revenue vs. Budget, Net Profit gauge, Operating Cash Flow bar chart, and Profit Margin status.
- **Filters:** Company Code, Fiscal Year, Profit Center Hierarchy, Currency (USD/EUR).

Executive KPIs High-Level Scorecards

- **Primary Cards:** Total Revenue, Total Expenses, Net Profit, Profit Margin %.
- **Visual Indicators:** Color-coded RAG (Red-Amber-Green) thresholds tied to monthly budget targets.
- **Drill-down:** Direct click-through from executive card to Universal Journal line items ('ACDOCA').

2. Finance Dashboard & Cash Flow Dashboard

Finance Dashboard General Ledger & P&L

- **Layout:** Income Statement waterfall chart and departmental expense variance breakdown.
- **Components:** Actual vs. Plan P&L comparison table, GL account category summaries, and Retained Earnings tracker.
- **Interactivity:** Dynamic period selection (Posting Period / Fiscal Quarter).

Cash Flow Dashboard Liquidity & Bank Position

- **Layout:** Direct and indirect cash flow projection charts combined with bank balance tickers.
- **Components:** Cash Inflows vs. Disbursements waterfall, liquidity buffer status, and bank clearing status ('BSIS'/'BSAS').
- **Alerts:** Automated warnings for negative operating cash flow weeks.

3. Working Capital: Accounts Receivable & Accounts Payable

Accounts Receivable (AR) Subledger & DSO

- **Layout:** AR aging bracket donut chart (0-30, 31-60, 61-90, 90+ days) and DSO trend line.
- **Components:** Top 10 overdue customer accounts, Outstanding Invoices count, and Paid Invoices collection rate.
- **Integration:** Connected directly to customer open item table ('BSID').

Accounts Payable (AP) Vendor Obligations & DPO

- **Layout:** AP aging schedule and DPO (Days Payable Outstanding) tracking card.
- **Components:** Upcoming cash disbursement liabilities by vendor, early payment discount opportunities.
- **Integration:** Connected to vendor open item table ('BSIK').

4. Managerial Accounting: Cost & Profit Center Analysis

Cost Center Analysis CO-OM-CCA

- **Layout:** Treemap of departmental spend and Actual vs. Budget horizontal bar charts per Cost Center ('KOSTL').
- **Components:** Top over-budget cost centers, overhead allocation breakdown, and variance drill-down.
- **Thresholds:** Highlight cost centers exceeding ±5% budget variance in amber/red.

Profit Center Analysis EC-PCA

- **Layout:** Divisional profitability matrix and contribution margin waterfall chart per Profit Center ('PRCTR').
- **Components:** Segment Revenue, Segment Expenses, Net Contribution Margin, and ROI ranking table.
- **Filters:** Regional segment, business unit, and product line dimensions.
